

Gulworthy Parish Council

Statement of Internal Control

Review and adopted 2nd December 2019

Signed chairman

Introduction

Gulworthy Parish Council (the Council) is a local authority funded largely by public money and is responsible for ensuring its financial business is conducted in accordance with the law and proper standards, and that public money is safeguarded, properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

The Council is required to review at least annually the effectiveness of its system of financial control. This is informed by the work of the internal auditor and Council, who have responsibility for the development and maintenance of the internal audit environment, and also any comments made by the external auditors in their annual report.

The Purpose of the System of Internal Control

The Council's system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure. It cannot provide an absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to policies, aims and objectives, to evaluate the likelihood of those risks being realised, and the impact should they be realised, and to manage them effectively and economically.

The system of internal control accords with the practices set out in the Governance and Accountability Act 2017: A Practitioners' Guide (2017 edition).

The Internal Control Environment

The Council has adopted Financial Regulations in 2019 which set parameters for the Council's financial operations. The Council has appointed a Responsible Finance Officer who implements financial systems and controls.

The Council uses 'excel' software to process transactions Banking services are provided by TSB. An independent internal audit service is provided by a suitable person and all payments are made in accordance with council resolutions. Any issues raised by the Internal Auditor are reported in writing to the Council and agreed actions are monitored to ensure that they have been carried out and actioned within agreed timescales. Additionally, the Council seeks and receives appropriate property, legal, insurance, and health & safety advice as appropriate to manage risk.

The Council is responsible for:

- Establishing and monitoring the achievements of the authority's objectives
- The facilitation of policy and decision making
- Ensuring compliance with established policies, procedures, laws and regulations
- Identification and management of risk
- Ensuring that best value and value for money are achieved in all purchases
- Ensuring all committees receive regular and up to date reports on financial activities under their direction
- Ensuring performance is regularly monitored against financial and operational budgets
- Control and reports on the financial management of the Council

Review of Effectiveness

The Council through the Responsible Finance Officer has responsibility for conducting a review of the effectiveness of the system of internal control and the internal audit process.

The review of the effectiveness of the system of internal control is monitored by:

- The Clerk is the Council's Responsible Finance Officer who acts as the Council's legal advisor and administrator. The Clerk is responsible for administering the Council's finances, for advising on compliance with laws and regulations which the Council is subject to, and for managing risks. The Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.
- The council met at least 6 times in the financial year ending 31 March 2018. Members of the council monitor progress against objectives, financial systems and procedures, budgetary control, and carry out regular reviews of financial matters. Minutes of meetings are circulated to all members of the Council and recommendations are considered at full council meetings.
- The work of the Internal Auditor. The Internal Auditor, an independent person specialising in local council matters, reports to the Council on the adequacy of its records, procedures, systems, internal control and risk management.
- The External Auditors in their annual report.

Any concerns about the effectiveness of the system of internal control are investigated and action taken as appropriate.
